# Vista Walk

Overlooking the beauty of Lake Erie, the many pathways of our Vista Walk offer a tranquil setting where patients, visitors, and families can find peace in serene surroundings.

Vista Walk is open anytime for meditation, reflection, and remembrance.

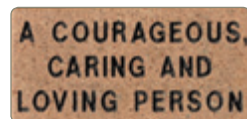

## Every Brick Has a Story

Every name inscribed on our Vista Walk tells a story. Each is unique; each has its own family and friends who remember the life that it represents. We invite you to add the story of someone special by dedicating a brick or granite paver. Bricks and pavers can memorialize or honor your loved one; they can provide a place for families to gather or mark an anniversary or personal milestone. There are also opportunities to help adorn the gardens by selecting stone benches and garden furniture for all to enjoy.

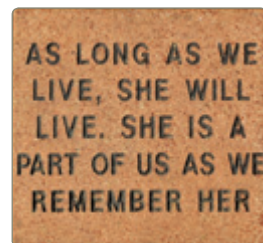

Group dedications take place three times a year and all donors are invited to attend. Individual dedications are an option for those who prefer a private opportunity to celebrate and reflect.

For more information contact the Development Team at 216.383.3712 or visit us at [hospicewr.org](http://hospicewr.org).

## HELP OUR GARDENS GROW

As the Vista Walk grows, so do the gardens. Beautiful in every season and enjoyed by patients, families, and the community, the gardens at Simpson Family Hospice House are a tranquil and healing place.

By dedicating gardens in memory of their loved ones, families and friends have created living tributes—gardens filled with favorite plants and special flowers; gardens that offer fragrance and views; gardens that speak the language of memories and love.

We have recently acquired land to the west of Simpson Family Hospice House. This beautiful area offers 12 acres of green space. Its future development is open to the ideas and inspiration of those who wish to leave a living legacy.

Gardeners understand that a garden can never be truly finished. If you would like to learn more about creating a new memorial garden or wish to help nurture our existing gardens, please call 216.383.3716.
