

HEALING ARTS WORKSHOP

Kids Art: Heart Hugs

A *Virtual* Healing Arts Workshop

One of the difficult things that the death of a special person brings is the absence of their physical presence. Sometimes it's helpful to have something you can hold onto in your grief. Participants will make a huggable heart-shaped pillow from fleece to remember their loved one to which fabric from a piece of your loved one's clothing may be incorporated.

Ages 6+. Kids are required to have an adult family member in attendance for this virtual workshop.

Tuesdays, February 2 and 9, 6 to 7:30 p.m.

For these virtual workshops, we are using the Microsoft Teams platform, which is similar to Zoom. If you register for the workshop, you are sent an email invitation which provides a link to join the workshop. Each workshop consists of two sessions, a week apart. At the first session, a theme or topic is introduced, and we have a discussion. You will be given instructions on the art assignment for the week, and the basic supplies you will need will be shipped to you. We get back together the second session to share and talk about your art. The supplies will be new and yours to keep.

Call **Mollie Borgione** at **216.486.6544** or email **mborgione@hospicewr.org** to register no later than two weeks in advance of workshop date. Please make sure to include your home address so that supplies can be mailed to you.

*We have waived our suggested \$5.00 donation for supplies during the pandemic; However, if you wish to make a donation to the Healing Arts Program of Hospice of the Western Reserve, go to our website, hospicewr.org and click on **Donate Now** to find out how.*
