Each suite has places to display pictures, planters, mementos and other personal items. Please keep the staff work area free from personal items and do not damage walls or furniture.

Guest seating is available in each suite. If you need additional seating, please contact a team member for assistance. Information on overnight accommodations for guests can be found on page 6.

Personal Belongings Hospice of the Western Reserve, Inc. is not responsible for loss or damage to patient or visitor belongings or valuables. We encourage patients to have responsible family members take any valuables home with them. Belongings left at the hospice unit will be held for two weeks after the patient is discharged. Items not claimed after two weeks will be considered donations and forwarded to Life's Treasures Thrift Shop. If valuables need to be secured, an armoire in the patient suite contains a drawer which can be locked. Please contact a clinical team member to obtain the key.

Patient Wheelchairs and Special Needs If you require the use of a wheelchair or any other special need, please contact a team member. Wheelchairs and equipment being used at home should generally not be brought in for use at the hospice unit, except under special circumstances.

Patient Spa Rooms and Showers Patient Spa Rooms are located on the East and West Wings.

Telephones The phones in patient suites and common areas are direct lines. Local calls in and out may be made at any time by first dialing area code then the number. For long distance calls, we suggest using personal cell phones, reversing charges, using a credit card or phone card or billing the call to a third party. Should these options not be available to you, please ask staff for assistance. Payment of these calls is the responsibility of the patient and family.

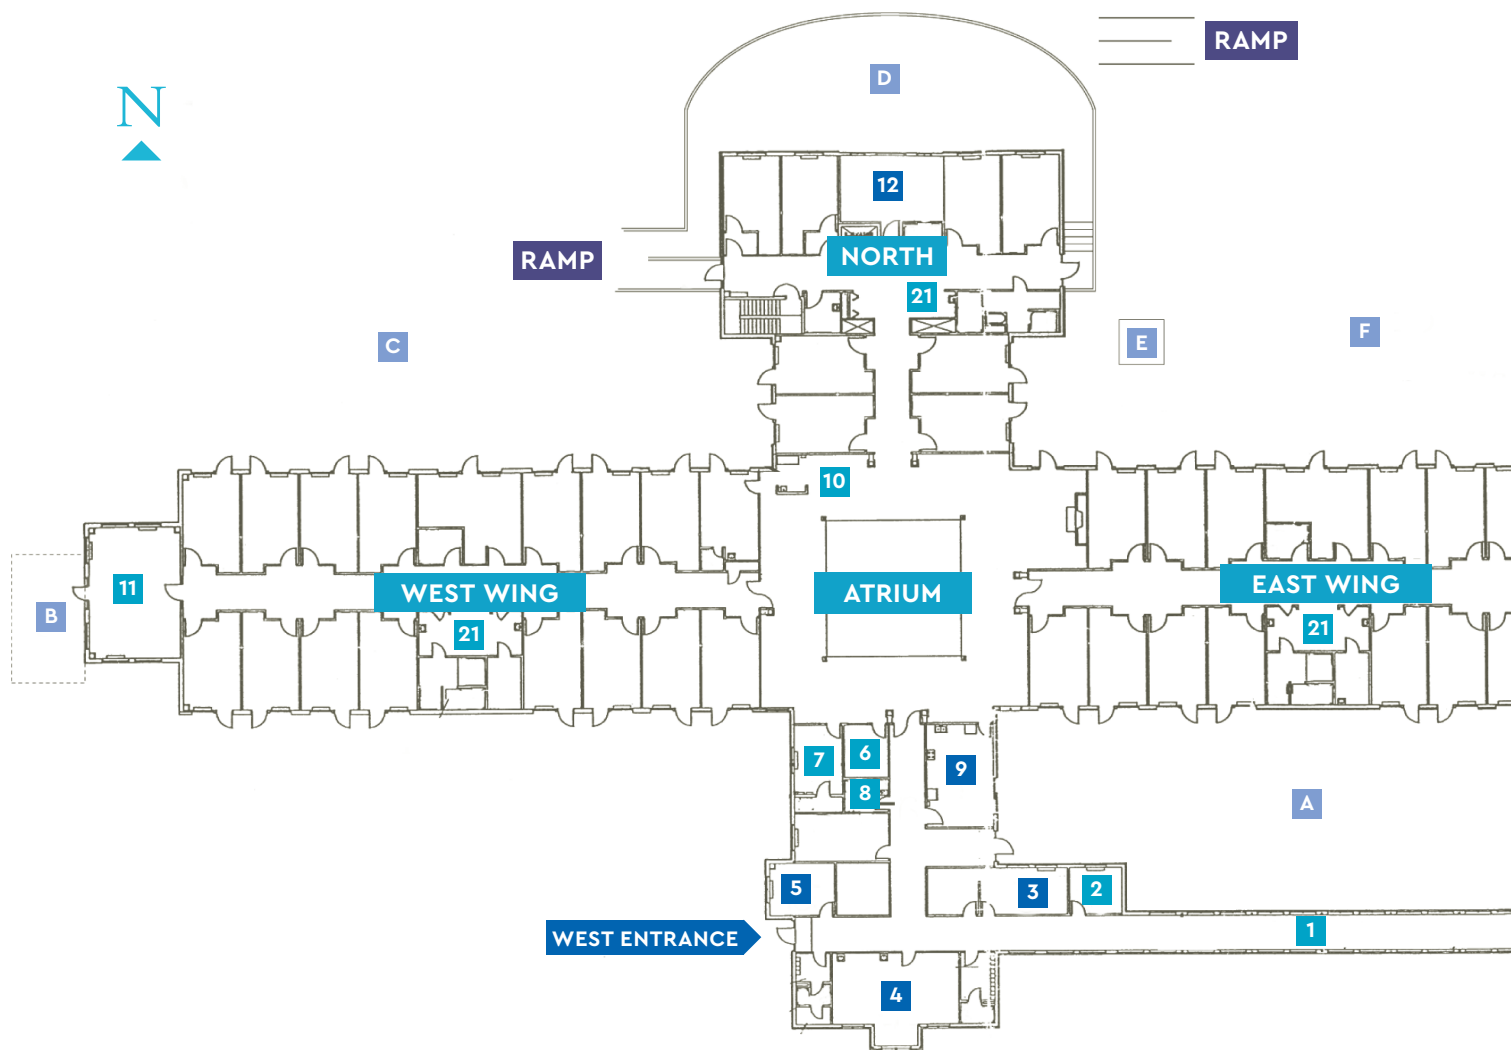

A phone to assist those with hearing impairment is available upon request. Please speak with a clinical team member if this is needed.

Interpretive Services If you need an interpreter, please contact a team member for assistance.

Hand sanitizer dispensers are in all patient suites and throughout the building. Please help children practice good hand hygiene.

If a patient's condition deteriorates and they are showing signs/symptoms of active dying, the visitation schedule will be amended by the decision of the hospice team. All immediate family members and those visitors that had prior visitation arrangements/allowances will be allowed to visit together. Any persons demonstrating above stated behaviors will be subject to removal from the facility and grounds.

Patients and families wishing privacy are permitted to use Do Not Disturb door hangers. Message books for other visitors may be requested and will be kept outside the patient's door or at the Team Station for other visitors to communicate to the patient/family.

Any team member can help you contact an art therapist for more information.

Volunteer Services

Volunteers play a variety of roles in providing comfort to patients and caregivers. They assist with patient care, provide friendly visits as well as welcome and greet patients and families.

Community Volunteers provide handcrafted items such as blankets, pillows, booties and other items to help enhance the comfort of our patients. Volunteer attorneys can prepare simple wills and assist with answering legal questions. Notaries are also available.

Volunteers also play a role in many group activities. We broadcast sporting events; host performances by visiting choirs, bands, and dance troupes; hold ice cream socials, cookouts, and wine and cheese gatherings. Periodically, local restaurants also provide a special dinner called Meal to Remember. Teen volunteers and local schools also sponsor meals. These events are for everyone, patients as well as visitors, to enjoy. Please see calendar of events located at the Message Board in the Atrium.

Moments to Remember is a program designed to help fulfill a special wish or request for a patient or family. Each year, this program allows us to plan and host birthday parties, anniversary celebrations, weddings and baby showers. Sometimes we are able to help make

arrangements for a patient to enjoy a seasonal or cultural experience or a favorite food or activity. If you have an idea or request you want to share, please contact the Volunteer Service Manager at 216.287.8193.

Pet Therapy We love when our volunteer certified therapy dogs visit patients and families. These special animals can help in a variety of ways including reducing anxiety, increasing well-being and happiness, stimulating memories, reducing isolation and loneliness and lessening depression. To arrange a visit, please contact a Volunteer Service Manager at 216.383.3726. **Please do not feed the therapy dogs without permission from their owners.**

Flight to Remember Experience a live, bird's-eye view of a place that is meaningful to you using drone technology. At a scheduled time, the drone video can be watched in your room through a live feed. For more information, or to schedule a Flight to Remember, please contact the Volunteer Service Manager at 216.287.8193.

We Honor Veterans We're proud to honor our veterans. We host military pinning ceremonies that recognize those who have served our country. For more information, please contact your social worker or a Volunteer Service Manager at 216.383.3726.

A special veteran's area in the Atrium displays memorabilia from patients who have served in the military.

Safety and Security

Security Measures have been implemented to ensure the safety and privacy of our patients. All facility doors are locked from 9 p.m. – 9 a.m. If you are visiting during these hours, please use the intercom located at the West Entrance door.

We ask that all visitors enter through the Main Entrance. Please do not open locked doors for unauthorized persons. Direct anyone requesting to enter the building to the Main Entrance. Do not place objects in doors to keep them open when going outside. Security Services are available on-site 24 hours a day.

Electrical Equipment Patients may bring radios, hair dryers, electric razors, clocks, iPads, laptops, etc. For safety reasons, all other equipment must be checked by our maintenance personnel prior to use. Please ask a team member to arrange this. Electric blankets, space heaters, refrigerators, cooking appliances or any equipment with a heating element are strictly prohibited.

Emergency Situations Staff have been trained in responding to emergency situations. In case of an emergency or natural disaster, please follow our staff's instructions. Routine drills are conducted on all shifts.

Weapons-Free Facility The Agency maintains a weapons-free facility, workplace and campus. All non-law enforcement personnel who enter the premises are prohibited from carrying handguns, firearms or any other weapons, even if they have a valid license to carry such items elsewhere. Please respect the atmosphere that we wish to foster by keeping our inpatient unit and premises weapons-free.

Smoking* Policy Note All buildings and grounds owned and operated by The Agency are smoke-free. The only exception to this rule is the designated patient-only smoking room, along the Gallery Walkway. Please use the receptacles provided to extinguish and dispose of smoking materials.

Patient smoking supplies (cigarettes, pipes, vapor producing products such as, but not limited to, e-cigarettes and hookahs, lighters, matches, etc.) must be stored at the Team Station. A clinical team member or adult visitor must supervise any patient who wishes to smoke. It is preferred that a loved one accompany a patient in the smoking room.

Staff supervised smoking is permitted after each meal, from 10:15 p.m. – 10:30 p.m. and twice overnight from 12:30 a.m. – 6:30 a.m. A limit of two cigarettes (maximum of 15 minutes) will be permitted at a time. Patient care needs take priority over smoking supervision.

Please refer to and be respectful of the smoking policy found on tent cards located in your room.

**Smoking refers to both tobacco and non-tobacco products as well as smokeless/vapor producing devices such as, but not limited to, e-cigarettes and hookahs. Smokeless devices have electronic heating elements that can serve as a source of ignition and are strictly prohibited due to the use of oxygen by patients throughout the facility.*

Secure Care System For safety, some patients may wear an electronic transmitter that causes the main exterior doors to lock automatically if they come within five feet of the doors. An alarm automatically sounds and the system informs staff which door was activated. The staff will reset the system once they insure the patient is safe. If the fire alarm is activated, the door lock system is automatically disabled.

Patients wearing transmitters who would like to go outside must be accompanied by a responsible adult. Please see a staff member to deactivate the doors. You may reenter at either of the two North Wing doors. Buttons outside both sets of doors can be pressed to deactivate the alarm temporarily while the patient passes through. Please be sure the patient is five feet away from the door so the alarm does not get activated.

Other Amenities and Public Spaces

The **Mr. and Mrs. Arthur Modell Meditation Room** is open to people of all beliefs and faiths. It may be reserved for small, private religious or memorial services. Please contact the Spiritual Care Coordinator, Clinical Team Leader or Support Secretary for arrangements.

The **Atrium** in the center of the building is for patients and families to play board games, talk or relax. The hand-painted mural of the sky on the upper walls has images hidden in it and can be used as a fun family game. The aquariums, game tables, TVs and fireplace offer relaxing or entertainment options. The room also hosts events and large gatherings for patients and guests.

Team Stations are located in the middle of each wing.

A **Kiosk** with information about area restaurants, places of worship, airports, shopping, hotels and other resources can be found in the Main Entrance.

A **Laundry Room** is at the east end of the East Wing and is available for families and patients. Detergent and other supplies are provided, but you may bring your own if desired. Team members will do patients' personal laundry, but family members may do this if they so desire.

Outdoor Areas and Gardens

The House has several outdoor areas including gardens, gazebos, swings, the courtyard, The Vista Tribute Walk, a large viewing deck, and incredible shoreline views of Lake Erie. Seats and benches are available throughout the grounds.

Public Restrooms are just off the main entrance lobby, across from the vending machines. A family bathroom is off the Atrium across from the Family Kitchen.

The **Marty Grabner Library/Music Room** is stocked with books, DVDs, CDs, games and puzzles that patients and families may borrow.

The **Marguerite Wilson Foundation Family Room** is located at the west end of the Gallery Walkway. It may be used for watching TV, small family gatherings, family meetings with team members, quiet time or overnight accommodations.

If you're staying overnight in the Family Room, please make sure it is available for others from 9 a.m. – 9 p.m.
