

Tell me more about Volunteer Continuing Education...

As part of the Volunteer Agreement, volunteers are required to attend or participate in at least 2 Continuing Education offerings during the annual evaluation period: September 1 – August 31.

The Volunteer Team at Hospice of the Western Reserve is pleased to offer a variety of opportunities to enhance your volunteer experience, promote self-care, and learn new ways to assist the patients and families we serve.

What is considered Continuing Education?

- Continuing Education classes
 - Variety of topics presented throughout the agency
 - Self-Directed Opportunities – learn about topics related to volunteering on your own time
 - Read a Book, watch a movie, or watch an online video
- Sharpen Your Skills
 - Re-experience the core education series with new volunteers – come to share your experiences as well as learn something new
- Volunteer Gatherings
 - Fun and educational events with fellow volunteers
- Volunteer Town Hall Meetings
 - Join Lisa Scotese Gallagher for Q/A on the most recent agency news and events
- Volunteer Role specific education
 - Cardiopulmonary Phone calls
 - Community Outreach
 - Hands on Care
 - Reiki
 - Spiritual Care
- Volunteer Role specific meetings
 - Reception/Welcome Center (In-Patient Units and HQ)
 - Pet Therapy
 - Hands on Care
 - Reiki Share
- Agency sponsored events
 - Fall Conference
