

# Dementia: Using “Gems” to Uncover Clarity

Wednesday, April 8th | 11:30 AM

RSVP by calling 440.960.2813 by April 1

Space is limited. Light lunch will be provided.

Define dementia and identify four types of dementia. Identify risk factors for dementia. Describe the GEMS Model. Recognize the difference between a Care Giver and a Care Partner. Explain Person Centered Care and be able to demonstrate Hand Under Hand technique.
